# Learner Acceptable Use of Technology

## Early Years and Key Stage 1 (0-6)

I understand that the school's Acceptable Use Policy will help keep me safe and happy online.

- I only use the internet when an adult is with me.
- I only click on links and buttons online when I know what they do.
- I keep my personal information and passwords safe.
- I only send messages online which are polite and friendly.
- I know the school can see what I am doing online when I use school's computers and tablets including when I am at home.
- I always tell an adult if something online makes me feel upset, unhappy, or worried.
- I can visit [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) to learn more about keeping safe online.
- I know that if I do not follow the rules:
  - I will be spoken to
  - My parent may be spoken to
- I have read and talked about these rules with my parents/carers.

## Key Stage 2 (7-11)

- I understand that the school's Acceptable Use Policy will help keep me safe and happy online at home and at school.
- I know that I will be able to use the internet in school for a variety of reasons, if I use it responsibly. However, I understand that if I do not, I may not be allowed to use the internet at school.
- I know that being responsible means that I should not look for bad language, inappropriate images or violent or unsuitable games, and that if I accidentally come across any of these I should report it to a teacher or adult in school, or a parent or carer at home.
- I will treat my password like my toothbrush! This means I will not share it with anyone (even my best friend), and I will log off when I have finished using the computer or device.
- I will protect myself by not telling anyone I meet online my address, my telephone number, my school name or by sending a picture of myself without permission from a teacher or other adult.
- I will not arrange to meet anyone I have met online alone in person without talking to a trusted adult.

- If I get unpleasant, rude, or bullying emails or messages, I will report them to a teacher or other adult. I will not delete them straight away, but instead, keep them so I can show them to the person I am reporting it to.
- I will always be myself and not pretend to be anyone or anything I am not. I know that posting anonymous messages or pretending to be someone else is not allowed.
- I will always check before I download software or data from the internet. I know that information on the internet may not be reliable and it sometimes needs checking.
- If I bring in memory sticks/CDs from outside of school, I will always give them to my teacher so they can be checked for viruses and content before opening them.
- I will be polite and sensible when I message people online and I know that sending a message is the same as having a conversation with someone. I will not be rude or hurt someone's feelings online.
- I know that I am not allowed on personal email, social networking sites or instant messaging in school.
- I know that all school devices/computers and systems are monitored, including when I am using them at home.
- I will tell a teacher or other adult if someone online makes me feel uncomfortable or worried when I am online using games or other websites or apps.
- I know that school computers, devices and internet access has been provided to help me with my learning and that other use of technology may not be allowed. If I am not sure if something is allowed, I will ask a member of staff.

To ensure that members of staff understand their professional responsibilities when using technology and provide appropriate curriculum opportunities for learners, they are asked to read and sign the staff Acceptable Use of Technology Policy (AUP).

Our AUP is not intended to unduly limit the ways in which members of staff teach or use technology professionally, or indeed how they use the internet personally, however the AUP will help ensure that all staff understand Ashford Oaks expectations regarding safe and responsible technology use and can manage the potential risks posed.
