Our Senior Leadership Team (SLT) forensically use a range of benchmarking tools in order to robustly, self-assess school performance. In addition to our in-house data which we assess through our evaluation of pupil progress meetings. The main systems we use for this are:

Fisher Family Trust Aspire (FFTA) dashboard allows us to evaluate previous school performance in addition to setting aspirational targets for individual pupils and cohorts.

Department for Education (DfE) Analyse School Performance portal.
