

Visit Ashford Library

Check a book out to read and bring it in to school to share your choice with us!

Make a model of a heart

Design and build a model or drawing of the heart. Can you show the different parts?

Read a book together

Share a book from start to finish with an adult, brother or sister. Write down each of your reviews of the book and bring it in for us to see!

Learn a new Skill

Try your hand at something new. Here's a few ideas:

Pick up a magic trick
Hone your yoyo skills
Upside down reading
Juggling

Year 6 Homework

TT Rockstar Ranking

Increase your status in TT Rockstars.

Will we have some new Rock Legends?

Create a bomb shelter

With an adult's help, have a go at creating a bomb shelter!

You'll want to do some research first - the local library will help!

Dear Parents/Carers,
Here are some optional learning tasks for your children to complete across the term. The activities are linked to some of the learning which will be happening this term. We welcome any completed tasks to be brought in on Mondays so we can celebrate and share with the other children in class. Every task completed will earn 2 Dojo points. If all tasks are completed, a bonus of 5 points will be awarded.

Visit a local park

Get as muddy and messy as you like and have lots of fun... just make sure to get a photo taken!

Get the photo sent to your teacher.
