

# Term One Homework

Dear Parents/Carers,

Below are six optional learning tasks for your children to complete across the term. The activities are linked to some of the learning which will be happening this term. We welcome any completed tasks to be brought in on Mondays so we can celebrate and share with the other children in class. Every task completed will earn 2 Dojo points. If all tasks are completed, a bonus of 5 points will be awarded.

Go on a sensory walk....what can you see, smell, hear, touch or maybe taste!

Write or draw about your favourite memory- it might be about a holiday, birthday or celebration

Can you think of a word to rhyme with these words? Write them down and bring them in!

Log →  
Cat →  
Bed →  
Pig →

What other rhyming words can you teach your grown ups?

Year1  
Term One!

Make a memory box to hold your most favourite memories. This could be made from anything you find in your house, how creative can you be?!

Go on a number hunt, what numbers could you find?

Paint or draw a picture of your family.
