

Term One

Dear Parents/Carers,

Below are some optional learning tasks for your children to complete across the term. The activities are linked to some of the learning which will be happening this term. We welcome any completed tasks to be brought in on Mondays so we can celebrate and share with the other children in class. Every task completed will earn 2 Dojo points. If all tasks are completed, a bonus of 5 points will be awarded.

Write a poem about a member of your family

Write a 4 digit number and represent it in 4 different ways

Create a poster explaining why brushing your teeth is important.

Year 4 home learning

Research a Hindu god and create a fact file about them.

Draw a picture of yourself and a friend, add speech bubbles with spanish greetings.

Create a picture or painting using only 1 colour (different shades) plus black and white.
