

# TERM 5 HOMEWORK

Dear Parents/Carers,

Below are nine optional learning tasks for your children to complete across the term. The activities are linked to some of the learning which will be happening this term. We welcome any completed tasks to be brought in on Mondays so we can celebrate and share with the other children in class. Every task completed will earn 2 Dojo points. If all tasks are completed, a bonus of 5 points will be awarded.

## Maths- Money

Make a clock using a paper plate, hands and split pins. Practice telling the time with your child.

## Reading

The expectation is to read 7 days a week with your child. Once read, please sign in the diary. Thank you!

Visit your local library to read and borrow story and information books about the sea. Write or film a book review about your favourite.

## CEW / Spelling

Practice reading and writing these common exception words for year 2.

Again  
Everybody  
People  
Water  
money

## Literacy

Story teller!

- What might his name be? Why?
- What kind of pirate do you think he is? Is he feared by other pirates?
- How did he lose his leg?
- What is he saying?

## Geography

Look at holiday brochures or travel websites and talk about holiday destinations around the world. Which seas or oceans are close to each destination? Locate them on a world map, noting their location in relation to the Equator and the North and South Poles. How does the location affect the weather? Where would you most like to go?

## Art

Become an illustrator.

Once you have finished your story, can you add some illustrations. Be ready to read it to the whole class for Friday story time.

## History

Search the web or non-fiction books to find out about a famous boat or ship. Make an information book by writing down interesting facts, downloading images or making drawings. Famous ships to choose from include RMS Titanic, the Santa Maria, the Cutty Sark or HMS Belfast.

## Phonics:

Can you practice all of the learned Phonics sounds at home. You can practice this through identifying, reading and writing sounds.

If you need a sound mat please ask and we can provide.

Parents don't forget you can access the Ashford Oaks website for more Little Wandle Letters and Sounds information.

<https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

Design and make a boat to take part in a class boat race. What materials will you use? What shape will your boat be? What name will you give it?
