

Year 2 Term 1 Homework

Dear Parents/Carers,

Below are nine optional learning tasks for your children to complete across the term. The activities are linked to some of the learning which will be happening this term. We welcome any completed tasks to be brought in on Mondays so we can celebrate and share with the other children in class. Every task completed will earn 2 Dojo points. If all tasks are completed, a bonus of 5 points will be awarded.

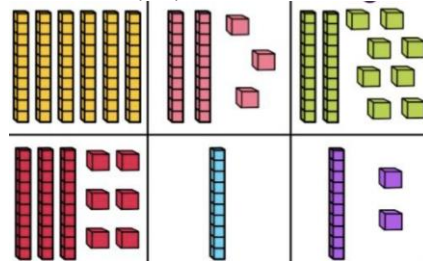

Reading

Find, read and write 3 sentences on books about different feelings. Here are some examples.

Maths

Can you create a place value bingo game? We may even play these in class!

Art

Use paints or pens to create a picture of Autumn. Can you mix your colours?

Science

Over a week, keep a diary of all of the food that you eat. Can you explain why it is good for you?

Geography

Cut up small bits of paper; and colour them in, to create a tissue paper mosaic of any country's flag.

World Animal Day

Research and design a poster all about your favourite animal.

Cooking

Use your research skills to look up a national dish of any country. Can you cook this and take photos?

Writing

Using different objects, can you physically create the letters to spell out your name?

Music

Write a song all about the importance of friendship. Can you push yourself to make your own instrument?
